- If a non-EEA national, the parent has recourse to public funds.

Parents/Carers can check eligibility and apply via the following website: <https://www.childcarechoices.gov.uk/>
(For more information please see appendix 1)

If eligible, parents/carers will be given a code at the start of each term. Please note; the school cannot accept a child on the 30-hour entitlement basis until we have verified both the age of the child and the validity of the code.

Validating the code will require parents to supply the school with the parent's/carer's date of birth and National Insurance number. (Please refer Appendix 2 and 3 for details.) **Until the eligibility code has been validated, the parent/carer, will be responsible for paying the costs detailed in Option B.**

If your Circumstances Change

If a parent/carer loses eligibility whilst their child is registered at our Nursery, they will receive a short 'grace period' to enable them to maintain their childcare arrangements for a period of time. Once the grace period has lapsed, parents will need to pay for the additional 15 hours via Option B. **If at any point within the academic year your child falls out of eligibility, the cost of the provision outlined in Option B will be invoiced accordingly.**

OPTION B: Not eligible for full 30 hours' free childcare

If a family is not eligible for the full 30 hour free childcare, parents /carers will be charged a termly fee of £1,300 to pay for the additional full time provision. This is equivalent to £108 per week. **Fees must be paid in advance of the start of each term in full. Any diversion from this is at the discretion of the Head Teacher.** (Please see appendix 4)

Charges do not include a hot school meal each day. (£2.20 per day/ £11 per week, which is to be paid separately.)

<p>30-hour eligibility guide and checker</p>	<p>https://www.childcarechoices.gov.uk https://www.gov.uk/childcare-calculator</p> <p>Those who could be eligible for 30 hours and/or Tax-Free Childcare will be directed to the digital childcare service to apply.</p> <p>Parents/Carers will be able to apply for both 30 hours and Tax-Free Childcare at the same time by entering their details once. HMRC will check parents' eligibility for both schemes at the same time.</p> <p>Guidance: https://www.gov.uk/government/publications/30-hours-free-childcare-eligibility</p>
<p>How to Apply for the 30-hour eligibility</p> <p>If you need assistance to apply, or do not have access to the internet, please call the childcare service Customer Interaction Centre on 0300 123 4097 and you can apply over the phone. If you encounter any problems during the application process or when accessing your childcare service account, you should direct your queries to the childcare service Customer Interaction Centre.</p>	<p>APPLICATION PORTAL: Click here</p> <p>You will be asked to:</p> <ul style="list-style-type: none"> • Create a Government Gateway account if they do not already have one. If you do, you will need to sign into Government Gateway to verify your identity before accessing the childcare service. • Once in the childcare service, enter your personal details including: name, address and National Insurance number and the same details for your partner (if you have one). • Declare that you expect to meet the income requirements over the coming three months. • Declare whether you are in receipt of any relevant benefits. • Once you have completed your application, if you are eligible, you will have a childcare service account. • In the "secure messages" section of your account, you will receive messages regarding your eligibility. • If you are entitled to the full 30 hours funding, you will be given an 11 digit 'eligibility code' for your child – this can be found in the '30 hours free childcare' section of your childcare service account and in your 'secure messages' section.
<p>Important information from HMRC</p>	<p>A parent can only take up 30 hours once both of these conditions are met: A child starts the term following their third birthday and the term following receipt of their eligibility code from HMRC, whichever is later.</p> <p>Parents are encouraged to apply the term before their child meets the age criterion to ensure they can access a place at the start of the term after their child turns three. If not, they will need to wait until the following term to access their 30 hours' place.</p> <p>Please note: the earliest a parent could receive a 30 hours' code for their child will be 16 weeks before they turn three years old. If a parent applies before this point, they will need to wait until reconfirmation before applying for 30 hours.</p> <p>Like the universal 15 hours' entitlement, parents cannot claim 30 hours' free childcare once their child has reached compulsory school age (the term following their fifth birthday).</p> <p>Please note the latest a parent could receive a 30 hours' code is 22 weeks after the child turns five. It is therefore important that providers check the age of the child as well as the code. Parents cannot claim their 30 hours in addition to a full time reception place in a state-funded school.</p>
