PLEASE LOOK AT THE WEBSITE DAIRY FOR KEY DATES COMING UP THIS TERM

We are very much looking forward to seeing those of you coming to the **Promise Auction tonight**.

The evening kicks off at **7pm** with a glass of fizz and the first Lot goes under the hammer at 7.30pm.

REMEMBER - to bring **cash** for the **bar** and **winning bids**.

Cash and cheques are the fastest way to pay for winning bids, but you can also do direct bank transfer during the evening if you use your bank's phone app.

The **Silent Auction is now open**.

The files are outside the hall and will be available tonight and up to Half Term.

See you there!

'Fr Ross is beginning 1st communion classes at St Eth's on a Tuesday night 6pm-7pm. Please get in touch with him via email or telephone (see below) if you are interested in attending. This is a fun, interactive and joyful opportunity to explore what we believe and why. Parents and carers are welcome to come along also. There is nothing like learning at the same time as our children! Children/adults do not need to be baptised at this point. Even if you are just interested, there is no pressure....

The classes begin on 14th May and continue for 6 weeks and there is a wonderful celebratory service at the end.

Year 6 SATS

Next week is SATS assessment week for every Y6 pupil in state schools across the country. Our Year 6 children are well prepared and have worked really hard all year. To help the week run smoothly please make sure that the children go to bed at a reasonable time, and arrive on time for school (8.50 a.m. please). A bottle of water is a good idea to bring, together with a healthy snack for break time.

Emailing to teachers

Just a reminder please that if you need to talk to a teacher or ask something by email, please use teacher@allsaintsce.lbhf.sch.uk and not the admin address. Questions regarding clubs etc. should be sent to the admin address.

Peer Review

Our school was visited by our inspector Keith Tysoe together with two local headteachers on Tuesday and Wednesday this week. This is part of a new approach to school monitoring and shared support for further development. The visit went really well and affirmed the strengths that we had identified, and also the enormous progress we have made with science this year. I was really proud as we toured the school and saw a great range of activities, totally focussed and enthusiastic pupils and lovely displays of work. Thank you to all the staff—days like these do add another layer of pressure. Special thanks to Miss Benwell, Miss Ward, English leader and Miss Cooke, Science leaders who were also interviewed 'OFSTED style'!
