This term, we will allow time within the school week for children to complete reading comprehension activities about their books. These can then be crossed off on their Book Bingo card, which we will keep in the classroom. For every book your child finishes, they will select and complete one of the activities on their bingo card. They can start anywhere they like. When they show their completed work to their teacher, this box will be crossed off on their card. Children are welcome to complete activities at home as well.
