So there they were happily harvesting the (interestingly shaped) pumpkin and marrows ready for our Harvest Eucharist on Friday, when everyone got a big surprise as a frog jumped out!

The children had great fun watching Mr Frog as he jumped around the allotment patch. We aren't sure that he enjoyed the company very much, but he was left to sort him (or her) self out once the excitement died down at the end of play. Thank you to everyone for the Harvest gifts.

Maintenance Fund

The annual request for School Maintenance Fund contributions will be sent out at the beginning of next week. These contributions are crucial for the school in order to the Governors contributions towards insuring against major building costs—details of which are explained in the letter request. Any surplus contributions go towards other essential upkeep and decoration of the classrooms, updated of classroom furniture etc.

Thank you to those families who have already contributed

Help UK Air Ambulance Services by recycling your Used Postage Stamps!!!

The UK's Air Ambulance Services are charities which receive no government funding and rely entirely on charitable donations to continue flying and responding to life threatening medical emergencies.

All funds raised will be donated to the Association of Air Ambulances to be distributed equally to all UK Air Ambulance Services. Whether they're British or overseas, new or used, send them to us and we'll turn them into funds to keep the UK Air Ambulance Services responding to life threatening medical emergencies.

We here at All Saints want to help raise funds through the recycling of postage stamps.

All you need to do is cut or carefully tear the stamped corner from any envelope or packet that you receive in the post and bring them into school and put them in a dedicated box outside the school office.
