ADOPTED ON 14th September 2015. Amended on 13th July 2020

SIGNED.....Chairman of Governing Board

THE ROLE OF THE GOVERNING BOARD AND ITS COMMITTEES

In accordance with education legislation, principally, the Education (School Government) (Terms of Reference) Regulations, 2000, and the School Governance (Procedures) Regulations, 2003, this governing Board and its committees will:

- act with integrity, objectivity and honesty in the best interests of the school
- be open about their decisions and actions

The Governing Board and its Committees will act strategically by:

- setting the aims and objectives for the school
- setting policies for achieving those aims and objectives
- setting targets by which progress towards those aims and objectives can be measured
- reviewing and monitoring progress in achieving the aims and objectives.

In all of the above, the governing Board and its committees will act in accordance with Education Law and with the any trust deed relating to the school, and will consider any advice given by the headteacher.

The governing Board and its committees will act as a "critical friend" to the headteacher - offering support, advice, a second opinion and help, and also challenging, asking questions and offering constructive criticism when necessary.

The Role of the Headteacher

The headteacher is a governor of the school and is a governor member of all those committees as specified in this document. Where the headteacher is not a member of the committee, s/he is entitled to attend every governing Board committee meeting unless the regulations state otherwise.

The headteacher, as the principal manager for the school, is responsible for the internal organisation, management and control of the school; for advising the other governors; and for implementing the strategic framework.

Incorporated in the role of advising the governing Board are:

- formulating aims and objectives for the school, for adoption, modification or rejection by the governing Board
- formulating policies and targets for the governing Board to consider adopting
- reporting to the governing Board on progress, at least once per year.

Delegation of the Governing Board's Functions

Decisions about delegation have been taken by the full governing Board, and that delegation has been considered in the light of:

- the requirement for the governing Board to fulfil a largely strategic function within the school
- the responsibility of the headteacher for the internal organisation, management and control of the school
- the requirement for the headteacher to comply with any reasonable direction of the governing Board in carrying out a function delegated by the governing Board.

The Governing Board Committee Structure and Terms of Reference

The individual committees are responsible for the functions which have been delegated to them by the full governing Board. They operate under their own terms of reference and in compliance with existing legislation, including the Education (School Government) (Terms of Reference) Regulations 2000 and the School Governance (Procedures) Regulations 2003. The policies and other documents that governing bodies are required to have by law have been highlighted **in bold** throughout this document.

The governing Board will review the establishment, terms of reference, constitution and membership of committees at least once a year.

COMMITTEE STRUCTURE

Governing bodies may choose to set up their committees in whichever way they agree will be most appropriate to their school, taking separate areas of responsibility under separate committees, or combining several areas under one committee.
