- There will be a copy of this on myhomework on myuso.im, and any other resources you need.
- You will need to fill in your Maths and English tasks each week, when your teacher gives them to you. These will also be on myhomework.
- Your spelling will be tested every Monday. There is a copy of your spelling words on myuso, and games to help you earn them on Purple Mash.

- Your homework tasks will either be an activity from purplemash or one your teacher has given you.
- If you are creating models or anything that would usually be bought into share, please take a photo of these and either hand it in using myuso or glue it into your blue homework book, due to covid restrictions.
- Please do not hand in printouts copy and pasted from the internet, try to write your findings into your own words.
- Please see me in plenty of time if you have any questions or any access issues with purplemash or myuso. Your log in details are glued into the front of your homework book.

Have fun! And I look forward to seeing your finished homework.
