

# Autumn 1 – All About Me

Here are some extra activities to do should you wish. If you have done anything extra at home you would like to share, please bring it in. We can give out some points 😊

Draw a diagram of your home and label it and / or write some sentences to describe it. Use your sounds to spell the words.

Make a collage of yourself.

We are learning about the human body this half term. Can you draw a skeleton on black paper? You could try another creature too.

Can you learn your full address and practise writing it?

We will write some letters and go on a walk to the post box this half term.

Create a picture of your family and any pets. You can present this to the class and teachers.

Bring in some photographs (you can email these if you like to show on the big board). You can present these and talk about your family to the class and teachers.

Who is special to you?

Can you write about and/or draw a picture of a special person in your life?

Think about your five senses. Imagine you are on a holiday by the seaside. Write what you can taste, smell, hear, see and feel.

How do we eat healthily? Create a healthy eating menu to show Miss Farquarson and the class with pictures and some words and /or simple sentences.
