AUTUMN TERM EXTRA CURRICULUM CLUBS

We are now pleased to be able to share with you our timetable for before and after school clubs which we will be offering from 13th September and ending on the 10th December. There will be six weeks before half term and six weeks after half term except for Friday clubs which incorporates the Inset Day (Friday 19th November).

As you will know, in recent months we have offered clubs adhering to the restrictions placed on us by the Government. At the time of writing these have now been removed and our plans for September take this into account. If the situation changes over the summer holidays it may be that we will have to make some alterations but, fingers crossed, we can proceed as planned.

As you will know, our afterschool clubs have to be self-financing. They can only run if there is enough uptake to pay the club leader. We will be unable to provide refunds once the clubs are up and running and your child withdraws from them as this could mean the school will have to provide the shortfall from valuable school funds.

As usual, some of our children are working towards badges in Gymnastics Club and therefore priority will be given to those children who are already in the squad. Please notify us if you would like to go on the waiting list or, if your child is in the existing squad and do not wish to continue in this club in September.

We regret that from this September we will no longer be able to offer the supervised sessions for children waiting for clubs to start at 4.15 or 4.30pm due to the constraints on our staffing. We realise this will inconvenience some parents and apologise for this.

We are absolutely delighted to be able to start up our Swim Squad this September. This has always been a very successful squad and is a much loved club for our most able swimmers. We will be holding trials for these on 14th September. This is open to Years 4, 5 and 6. A separate letter was sent last week. If you wish your child to take part in the trials please return the permission slip at your earliest convenience.

After the trials parents will be advised if their child has been successful. Do please note that if your child is successful parents will be required to be part of a team escorting the children back to school after their session. It will not be every week as the team will share the load but please take this into consideration when sending your child for the trials. Please note that no staff members will be accompanying this club each week.

Extra Curriculum Clubs – 13th Sept – 10th December 2021

You should now complete your registration form and scan and return it to Mrs Whitehead, or alternatively place it in the post box at the entrance near the school office. We are happy to receive these before the holidays if you wish to send them in. Payment will be requested during the week commencing 20th September and can be made online Eduspot. We regret payments of cash or cheque will only be received by the office in extreme circumstances.
